

Squire Patton Boggs Foundation
Celebrating **20 years** of
commitment to public service

Support the Foundation

We ask you to consider supporting the work of the Foundation and its Fellows, its Sustained Impact Project in Puerto Rico, Deans' Circle, and Issues of Our Times Speakers Series.

We invite you to volunteer to work with our Advisory Committee – you can contact charles.talisman@squirepb.com for further information.

If you would consider becoming a mentor to one of the Foundation's Fellows in 2020, please contact danielle.mehta@squirepb.com for details.

We encourage you to support the Foundation financially. Contributions large and small have allowed the Foundation to expand the number of law schools it collaborates with in awarding Fellowships. During 2020, our 20th Anniversary Year, we hope you will consider contributing, and will give thought to becoming a sustaining contributor.

- You can contribute using a credit card online, [here](#).
- If you prefer to contribute by check, you can print out a contribution card, [here](#).
- For additional contribution options, including in-kind gifts and gifts of stock, please contact the Foundation [here](#).

The Foundation is registered as a 501(c) (3) nonprofit organization in the United States, and contributions are tax deductible in that context. The Foundation is registered as a nonprofit charity in each of the US states where Squire Patton Boggs has offices.
